

Marco Antonio

I am Marco Antonio and I am very thankful for Casa Sonrisa because here I have a roof, education, protection, food and a lot more....

I am glad to be in Casa Sonrisa because I am with my brother, because I can go to school, because we live together and because my grandpa Pedro Hector Rivas Figueroa helps us in everything that we need. I am also glad that those in charge are very responsible and have the patience to care for us and teach us to stay on the right path.

Sincerely,

Marco Antonio Hernandez Torres

Thanks for the unconditional help that you have offered us. Thanks!

To: Generous People

Today we live among corrupt, ambitious, and sinful people who lack love. We thank God that even though the world grows more corrupt there are still people like you, people filled with love and light who stand out from all the others because thanks to you and our parents at Casa Sonrisa we are different children today, children who now have a happy life and many reasons to go on, children who (like you) want to stand out from others by serving our society but most importantly serving God to whom we owe everything. We hope that one day we will come to be great professionals with His and your help. Thank you for all the care and help that you have offered us. We know that God will fill you with blessings because you have been people committed to Him. The proof of this is the FOUNDATION OF CASA SONRISA, a place where they reflect the great LOVE OF GOD FOR HIS CHILDREN.

Jesus Salvador Alvarado

Through this letter I present myself before you, my name is Jesus Salvador Alvarado, I feel very glad in Casa Sonrisa, after 6 years I feel like I am with my proper family. Thanks be to God for giving me the

opportunity to come to Casa Sonrisa. I especially thank you for everything you have helped us with, thanks to God that I don't lack anything like shelter, bed, food, and most of all the care of a great family. Through the years I have been here I think about my future and I have learned that the most valuable thing is family.
