

# Casa Sonrisa NEWS

Three of us “gringos” drove down to Torreón on May 17 and returned home on May 20. The children were doing well. We still have about 36 (counting the house parents’ children). We are short one set of house parents, but may have some leads.

Please pray that God will soon meet this need! We plan to have a Casa Sonrisa display at the Red River Family Encampment (June 26-30). Come by and visit with us if you get to attend that excellent event.

## ZOOM-ZOOM

God has generously answered our prayers for safer and more convenient transportation for our Casa kids. The City of Fresno, sister city to Torreón, recently donated the roomy 25-passenger bus pictured at right. In addition, the Mexican government has donated \$10,000 toward the purchase of a new 14-passenger van. These new vehicles will be a blessing to the Casa Sonrisa community.

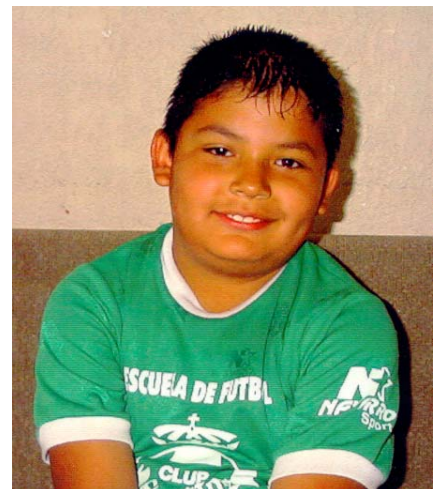

## Thank You Torreón Rotarians!

The children of Casa Sonrisa were recently the beneficiaries of the generosity of the Rotary Club of Torreón. District 4110 of Rotary International donated a new kitchen, dining and living room furniture, and a washing machine. In the picture to the left, Yulie, Alondra, and Mariana enjoy one of the couches that was a part of this generous donation.

Fernando is our featured Casa Kid this month. He was only a five-month old infant when he came to Casa Sonrisa and is now a bright young man at the age of eight. He enjoys learning English and eating tuna! Casa Sonrisa has been a loving, Christian home for Fernando. Thanks to your financial support and prayer, he has parents and siblings who love and care for him and are committed to raising him up in the Lord.
