

Casa Sonrisa NEWS

Think About It!

Casa Sonrisa began the new year with house parents for all three cottages and the forty-three children in our care. During February we will be taking movies and still pictures for another edition of the Casa Sonrisa video. John Sheppard, one of our Westside members, has the equipment and skill to handle all of the production and provide us with videos and DVDs at very little cost.

Once we have the new production, we want to show it as many places as possible. Maybe YOU can arrange for a showing where you worship. We can share it during a worship service, or a mid-week assembly. Usually we present a 12-minute lesson on benevolence, show the 15 minute video/DVD, and answer questions if there are any.

The Bible reveals that God wants us to practice benevolence. Casa Sonrisa is certainly a benevolent endeavor. In addition we believe it to be a foreign mission work.

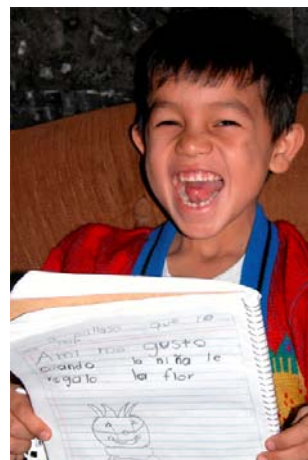

A New Van

Casa Sonrisa has a brand spanking new 2005 Nissan van which cost us only about \$7,000! Brother Pedro Rivas made official requests that culminated in grants from the Mexican government and a Nissan dealer valued at about \$15,000.
