Think About It!

Greetings to those of you who are taking the time to read this. In May we were privileged to have the Beemans and Dickeys visit Casa Sonrisa with us. They are members of the **New Road** congregation in Waco, Texas. New Road is one of about twenty congregations that support Casa Sonrisa on a regular basis. The **Robinson** congregation is our other supporting congregation in the Waco area. Unfortunately, no congregation in the **Forth Worth/Dallas** metro area currently helps us. The same is true of **San Antonio** and only one congregation (**Champions**) in the **Houston** area supports the children of Casa Sonrisa. We must not be doing a good job of sharing the Casa Sonrisa story.

Your help is deeply appreciated as is that of the other congregations and individuals which are faithful in their support of the over four dozen children of Casa Sonrisa.

The **Wimberly** congregation was the first group to support the home. They began helping from the “git-go” over a dozen years ago. Recently they contributed five thousand dollars to the work!

There is presently a need for another house where we can care for more children. Once Casa Sonrisa was established in Torreon there has been no shortage of needy children. A large house across the street from Cottage #2 and one-half block from Cottage #1 may be available, but it will cost about \$120,000. If God wills for Casa Sonrisa to have that property it will happen.

“... for every animal of the forest is mine, and the cattle on a thousand hills.”
