★ ★ CASA KIDS ★ ★

Good News. At this time we have forty-four children in Casa. Out of all, twenty are in their teens. Out of those, sixteen have been baptized. And three from that group have been in Casa for a few months. One of them, daughter of couple in cottage two, is expected to obey soon.

There are three students from the preacher training school who are now volunteering their time. They are helping teach children and young people classes. The student volunteers are starting a visit from home to home inviting people in the area to come and worship with us. We have some pamphlets to distribute and they will be accompanied by the older Casa children.

Karla...the longest resident at Casa Sonrisa, will start her junior year in college next fall. She will finish up this semester in about a month, and continues to be an 'A' student -- which is great news. She is majoring in journalism and is quite an asset to Casa 1. Karla is an inspiration to many, and a great young lady!

We thought you'd enjoy this lovely photo of Karla

We are very proud of all our Casa kids!

IN THE NEWS

Swine Flu Update (now called H1N1): Brother Rivas informs us that so far four people in Torreon have been detected carrying swine flu. Six others are under observation. He just checked with the house parents to find out how they are doing health wise; and thank God, they are alright so far.

For further information on this flu, you can go to the Centers for Disease Control and Prevention website at: <http://www.cdc.gov/h1n1flu/>.
